

A little guide to getting the very best from you bakes

Thank you for choosing Chicks Bakehouse.

Everything is baked by hand and frozen fresh, so you can serve just what you need, when you need it.

### **Whole Cake (10")**

Cut or display only the amount required from frozen, using a hot knife for the cleanest slices (taking extra care when cutting). Keep any remaining cake frozen.

Once thawed, keep covered and enjoy within 3 days. Refrigerate covered overnight if required.

### **Traycakes**

Using a hot knife, score the tray and remove only the slices you need directly from frozen. Leave the remaining cake frozen.

Allow slices to thaw at room temperature for approximately 2–3 hours.

Once thawed, keep covered and enjoy within 3 days. Refrigerate covered overnight if required.

**Storage** Keep Frozen at -18 Degrees or below.

**Handmade Cakes - Honest Ingredients - Properly Delicious**

### **Traybakes**

Using a hot knife, score the tray and remove only the slices you need directly from frozen.

Leave the remaining cake frozen.

Allow slices to thaw at room temperature for approximately 2–3 hours.

Once thawed, keep covered and enjoy within 5 days. Refrigerate covered overnight if required.

For Rocky Road and Millionaire these will last for 2 weeks, these are best kept chilled.

**Storage**

**Keep Frozen at -18 Degrees or below.**

### **Cinnamon Buns**

Remove only the number of buns required, leaving the remaining buns frozen.

Defrost at room temperature for approximately 2 hours. If needed, buns can be microwaved from partially thawed.

Heat for 45 Seconds for the best cinnamon bun ever!
